2014 INDIANA CHAPTER IAAO COURSE MEMO AND REGISTRATION

TO: All County & Township Assessors, County Auditors, PTABOA Members and Vendors

FROM: Barry Wood, Assessment Division Director *BJW*

DATE: December 12, 2013

SUBJECT: January and February 2014 Indiana Chapter IAAO Courses

The Department of Local Government Finance ("Department") in conjunction with the Indiana Chapter of the International Association of Assessing Officers (ICIAAO) will sponsor IAAO courses as a continuing education opportunity. This listing is for January and February 2014. Additional courses will be scheduled.

The Department will pay the registration fee for two employees from each county and each elected township assessor's office who have not taken the course previously through the Department. Eligible registrants are county assessors and/or deputies, elected township assessors and/or their deputies, county auditors and/or their deputies and appointed members of the Property Tax Assessment Board of Appeals (PTABOA). For county and township employees, we use the two per county or township rule. If more than two registrations per county or elected township assessor's office are received for a course, employers will be contacted to decide which employees are the two to attend at the Department's expense. Additional employees may register at the county's or their own expense.

In order for the Department to pay the registration fee, registrants must sign both an AM and PM sign in sheet and take the exam at the end of the course. Successful completion of the exam is not a requirement.

Those who have taken the course previously, all vendors, those who do not attend the entire course, or those who do not take the exam will be responsible for payment of the registration fee. Anyone who registers for the course and cancels within ten days of the course or who does not attend any part of the course, without specific approval from the Department or the Indiana Chapter of IAAO, will also be responsible for payment of the registration fee. Emergencies will be taken into consideration, and if there is a wait list and if the spot can be filled, no fee will be charged to the person cancelling.

The courses will be filled on a first come, first serve basis without regard to the employer, using the received date and time from the email, postmark, or fax. Once a course is filled (50 people maximum) additional registrants will be placed on a wait list. The position on the wait list will also be determined by the date and time stamp on the email, postmark, or fax.

A minimum of 25 people must be registered for the course. If we do not have 25 registrations 14 days before the start date of the course, the course will be cancelled and you will be notified by email.

Continuing Education Credits

The Department will only give continuing education credits for the IAAO courses one time. If you take the class again, you will not receive the credit hours for the course. Credit hours for each course are noted with the course descriptions below.

Overnight Lodging

The Department will not be responsible for overnight lodging reservations. The registrant shall take total responsibility for their own accommodations.

Per Diem

In accordance with the rules promulgated by the Department governing the payment of travel expenses associated with approved training sessions, a township assessor (and their deputies), a county assessor (and deputies), a county auditor, or a PTABOA member who attends this session is entitled to receive a mileage allowance and the per diem as set by the county in which the official resides, under the travel rules of the county*. A person is entitled to a round trip mileage allowance only for travel between the person's place of work and the training site nearest to the person's place of work. Claims are to be paid, without regard to appropriation, from either the county general or cumulative reassessment fund.

*If a county does not have an approved travel policy, the participant's reimbursement will be governed by the travel rules of the State of Indiana in effect at that time.

Registration fee

As mentioned above, those who have taken the course previously, all vendors, those who do not attend the entire course, or those who do not take the exam will be responsible for payment of the registration fee. The registration fee for each one week (30 hour) course (101, 102, 201, 300, & 400) is \$380.00. The registration fee for the Workshop 151: USPAP (Uniform Standards of Appraisal Practice) is \$250.00. Please send your payment for the course(s) or workshop when your registration is confirmed via email. Checks should be made to: Indiana Chapter of IAAO or ICIAAO and mailed to Ginny Whipple at 1803 S CR 550 W, Greensburg, IN 47240.

Times

Courses will begin promptly at 8:00 a.m. and end at 5:00 p.m. (local time at the course site). On Friday, the examination will begin at 8:00 a.m. and convene at 12:00 p.m.

What to bring to the course

#2 pencils, a calculator, ruler, and paper to keep notes.

Publications

The following publications are not necessarily required for the courses, but can be used in conjunction with the class materials when studying for the course exams. If you would like to purchase one of these publications, please contact Ginny Whipple at 812-593-5308 or email ginny@gnaassessmentprofessionals.com at least three weeks prior to the course to ensure delivery of the textbooks to the class site. Make your check to ICIAAO and mail it to Ginny Whipple at 1803 S CR 550 W, Greensburg, IN 47240.

Assessment Administration (soft cover text)	\$40
Fundamentals of Mass Appraisal (1 st edition)	\$50
Property Assessment Valuation (2nd edition, copyright 1996)	\$25
Property Assessment Valuation (3rd Edition, copyright 2010)	\$50

IAAO COURSE AND WORKSHOP DESCRIPTIONS

Course 101 - Fundamentals of Real Property Appraisal

30 hours DLGF CE credits

The Fundamentals of Real Property Appraisal is designed to provide the students with an understanding and working knowledge of the procedures and techniques required to estimate the market value of vacant and improved properties. This course concentrates on the skills necessary for estimating the market value of properties using two approaches to value: the cost approach and the sales comparison approach. The Fundamentals of Real Property Appraisal utilizes lectures, classroom discussion, and homework problems to emphasize the main concepts and procedures taught in the course.

Recommended: Property Assessment Valuation (PAV) textbook, 3rd Edition

Course 102 - Income Approach to Valuation

30 hours DLGF CE credits

The Income Approach to Valuation is designed to provide the students with an understanding and working knowledge of the procedures and techniques required to estimate the market value of vacant or improved properties by the income approach. The material covers real estate finance and investment, capitalization methods and techniques, analysis of income and expenses to estimate operating income, selection of capitalization rates, and application of the approach. The Income Approach to Valuation utilizes lectures, classroom discussion, and homework problems to emphasize the main concepts and procedures taught in the course.

Recommended: Course 101, Property Assessment Valuation (PAV) textbook, 3rd Edition

Course 300 - Fundamentals of Mass Appraisal

30 hours DLGF CE credits

This course provides an introduction to mass appraisal and is a prerequisite for the 300 series of courses offered by the IAAO. Topics covered include single-property appraisal versus mass appraisal, components of a mass appraisal system, data requirements and analysis, introduction to statistics, use of assessment ratio studies in mass appraisal, modeling of the three approaches to value, and selection of a mass appraisal system.

Recommended: Course 101, 102, Fundamentals of Mass Appraisal, 1st Edition

Course 400 - Assessment Administration

30 hours DLGF CE credits

Course 400 provides fundamental management concepts for management and supervisory personnel in the assessor's office. The course begins by emphasizing the need for management, and the various roles placed on the assessor and all supervisory personnel. The course then introduces the four major management functions (planning, organizing, directing, and controlling). Although the four functions are interrelated, a separate chapter is devoted to each one. This provides for a greater understanding of the major functions.

Recommended: Course 101, The Appraisal Foundation's Uniform Standards of Professional Appraisal Practice (USPAP) and Assessment Administration textbook.

Workshop 151 – USPAP (Uniform Standards of Professional Appraisal Practice) (National)

15 hours DLGF CE credits

This workshop covers materials from The Appraisal Foundation, Uniform Standards of Professional Appraisal Practice which includes: Definitions, Preamble, Ethics Rule, Competency Rule, Departure Rule, Jurisdictional Exception Rule, Supplemental Standards Rule, and Standards 1 through 10.

Supplementary materials include The Appraisal Foundation Uniform Standards of Professional Appraisal Practice (USPAP). This workshop includes an exam on the third day.
